## COUNCIL COMMUNICATION

AGENDA TITLE: Plans and Specifications and Advertisement for Bids for Century Boulevard, Ham Lane to Church Street; and Turner Road, Beckman Road to East End of Turner Road, Street Overlays

MEETING DATE: May 7, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

BACKGROUND INFORMATION: This project consists of installing 5,140 tons of asphalt concrete overlay, 37,000 square yards of pavement reinforcing fabric, wheelchair ramps, miscellaneous traffic striping, and other incidental and related work, all as shown on the plans and specifications for the projects.

This project is being designed to install bike lanes per the 1994 Lodi Bicycle Transportation Master Plan. The installation of the bike lanes will remove some of the street parking on Century Boulevard and Turner Road. Staff is working on the layout to minimize the impact on street parking. Staff will present the final layout for Council consideration at a future Council meeting.

FUNDING: The money for this project will be coming from the Street Fund and State-Local Transportation Partnership Program funds. (NOTE: This funding has a June 30, 1997 contract award deadline.) A request for appropriation of funds will be made at contract award.

Project Estimate: \$360,000  
Planned Bid Opening Date: June 4, 1997
